

A NOTE FROM THE DIRECTOR...

What a journey this show has been! Mary Poppins has always been one of my favorite Disney movies as a child, and when choosing a show for our Summer 2016 production, Mary Poppins was at the top of the list! I knew we had a big production on our hands, but once again my production team was up for the challenge along with all of our wonderful cast members. From late night rehearsals to all day Saturday dance rehearsals, to helping build sets and costumes - everyone has worked so hard and continues to make this magical show come to life each time we perform it.

When I read the script to the stage show I fell in love with it and I was so excited to get the opportunity to bring the show to Roswell. I want to thank my entire production team and cast and crew for all their hard work and dedication to making this show the magical production it is today! From tap dancing chimney sweeps, a live orchestra, a magical flying nanny, and much more. this production will leave vou feeling Supercalifragilistic expialidocious! This has been our biggest production to date and I could not be more proud of everyone involved! Lastly a big thank you to all of you for your continue support of our shows and support of the arts! I hope you enjoy Way Way Off-Broadway's production of Disney's Mary Poppins!

PRODUCTION TEAM BIOS

Summer Souza (Director, Choreographer, Lighting Design) Mary Poppins marks the fourth production she has directed for WWOB, including I Love You, You're Perfect..., Les Miserables, and Seussical. In addition to directing, Summer also enjoys performing on stage with many acting credits under her belt. Summer and her husband, Tony, founded Way Way Off-Broadway in 2014, and she currently serves as the Board President and Artistic Director. Outside of theatre, Summer has a regular role on the web-series Tailed and on the radio play Roswell B.C. Summer would like to thank this amazing cast and crew, production team, and her husband and kids for all the love and support!

Cydni Vandiver (Music Director) Cydni Vandiver would first like to thank the cast and the rest of the production team for making this an amazing experience. She was nervous taking on such a significant role within the production team, and the cast made this new role incredibly fun. Cydni has been involved in other Way Way Off-Broadway productions, most recently being seen in the role of Gertrude in *Seussical*. She would like to thank her Mimi and Papa for putting up with the crazy hours of practice and making sure she could eat and run (she'd starve without you Mimi). She would especially like to thank Summer and Devon for the belief that she could be successful in this role. Without Devon's support, constant reassurance, and help (during the day, night, and during voice lessons), she would never have discovered her love for creating music behind the scenes.

Tony Souza (Technical Director, Set Design) Tony Souza is the Managing Director and Board Secretary/Treasurer of WWOB, and has designed sets for all of WWOB's productions including *Joseph* and *Seussical*. In addition to his work behind-the-scenes, Tony also performs and directs for WWOB. He also wishes to thank his beautiful wife, Summer, for her love and support!

Jan Smith (Costume Design) This is Jan's fourth show sewing the costumes for WWOB. Jan credits her mother with teaching her how to sew. The wardrobe for *Mary Poppins* is the largest and most complicated so far. Jan and her husband both retired from Pacific Gas and Electric Company in California and moved to Roswell shortly after. Besides creating costumes, Jan holds an office at the state level in New Mexico Garden Clubs, Inc. and in Home Garden Club of Roswell. Jan is also the Corresponding Secretary for the US Branch of Clan Macpherson.
