AN IMMERSIVE
AUDIO EXPERIENCE

A NOTE FROM THE DIRECTOR...

Thank you for joining WWOB for SINGIN' IN THE RAIN, our final production of the 2018 Season. This show marks the end of four years of producing quality theatrical experiences for our audiences and performers alike, and I couldn't be prouder of, and more grateful to, the people who have worked to help us create the magic on stage - people that I have come to regard as part of our theatre family!

SINGIN' IN THE RAIN is considered by many to be the greatest movie musical of all-time, and for good reason... the classic love story, music, and of course the unforgettable dancing by Gene Kelly live in the memories of the fans of all ages. It only seemed natural that the feature film would be adapted for the stage later, and the stage version has enjoyed success for many years. When it comes time to select titles for our upcoming season, we are always eager to stage classic shows that audiences remember and enjoy - this season SINGIN' IN THE RAIN was the answer.

As with all WWOB productions, we could not have been able to bring the show to life without the help of so many people. I want to first thank our cast and crew for working so hard from day one, especially when I challenged them with the high-level of tap dancing that this show requires. Additionally, my production team - Brianna, Casey, Tarra, Tony, Cydni, and Janet - worked tirelessly behind-the-scenes to make sure this show met our high standards. I especially want to thank our costumer, Jan Smith, and her entire costume team, who despite many setbacks, were able to make our cast look amazing on stage.

I know you'll enjoy our production of SINGIN' IN THE RAIN! We continue to be grateful to the community for all the love and support that has been shown to WWOB over the past four years. We look forward to continue to bring great live theatre to our region in our upcoming fifth season beginning in 2019, and for many more years to come!

Enjoy the show!

Summer Souza, Director
SINGIN' IN THE RAIN

SEE LED BULBS IN A NEW, WALLET-FRIENDLY LIGHT.

Sometimes, being more energy efficient is as simple as changing a light bulb. Today's LED bulbs use up to 70-90% less energy than a traditional bulb, and last significantly longer too. It's an easy switch that we're making even easier, by providing discounts on LED bulbs at select retailers. We're always delivering ways to save. To find a retailer near you, visit xcelenergy.com/LightingDeals.

ALWAYS delivering.
