## **A NOTE FROM THE DIRECTOR...**

Thank you for joining us for this performance of *MARY POPPINS JR* - our 2022 Youth Production! It's felt like an extremely long two years since we have been able to work with our community's amazingly talented children on our Youth Production, and we couldn't be happier to be back with this production. If the last two years has taught us anything, I hope that we remember how critical it is to make sure our kids have ample opportunity to interact with their peers and develop their love and talent in the arts, which we believe are critical as our children grow and learn.

Our titular character, Mary Poppins, arrives to help the Banks children recapture their youth and imagination, while also helping their parents rediscover the connection with their children – a lesson that is just as applicable in our "real" life as it is on stage. My hope is that all families connect and support one another as we navigate this challenging but ultimately beautiful life together.

This group of children have been an absolute pleasure to work with, and Cydni and I couldn't be prouder of the hard work they have put in to bring this production to life. Thank you again for your support... now please enjoy our 2022 Youth Production – *MARY POPPINS JR*!
